Re: In the Matter of: Nomination for Universal Service Administrative Company
Board of Directors; CC Docket Nos. 96-45 and 97-21.

Dear Chairman Genachowski:

I am writing on behalf of the Edgemont Neighborhood Coalition to nominate Ellis Jacobs to be the representative of low-income consumers on the Board of the Universal Service Administrative Company (USAC).

The Edgemont Neighborhood Coalition is a citizen group located in the Edgemont Neighborhood of Dayton, Ohio. Ours is an extremely low-income, mostly African American neighborhood. The coalition operates a community center, computer lab, urban garden and provides many social and educational services to our neighborhood.

In 1995, we became concerned about affordability of phone service and the ability of people in our neighborhood to access the Internet. We contacted Ellis Jacobs, a local public interest attorney who represents low income groups and individuals. He was very interested in our concerns and, from then until now he has represented us in many cases at the Public Utilities Commission of Ohio and at the Federal Communication Commission, always working to make phone service affordable and to expand access to communication services for low-income individuals and communities.

Mr. Jacobs has done a great job as our representative and we know he would be an excellent member of the USAC Board, and an asset to any board. We are pleased to nominate him to the USAC Board.

Sincerely,

Barbara J. Hunt
Executive Director
